PUBLIC LEDGER.

EXCEPT SUNDAY, JULY FOURTH, THANKSGIVING AND CHRISTMAS.

Horace A. Day

OFFICE—Third Street, Mayfield, Ky.

SUBSCRIPTIONS—IN ADVANCE.

One Year \$5.00

Six Months \$3.00

Three Months \$1.50

DELIVERED BY CARRIER.

Per Month \$5.00

Payable to Collector at end of Month.

Suppose you had been sending your vegetables or your goods to a customer every day for a year or two—don't you think he ought to pay for what he has had? Now, put yourself in THE LEDGER's place, and remember that our Cashier has a big supply of handsome receipts waiting to be filled up.

The Louisville Commercial thinks it may be necessary to begin it over again—

"If the claims already filed nearly exhaust the \$100,000 campaign reward fund, as is reported, then we will not have much more of the efforts to hang TAYLOR and damn the Republican party, and the murderer of GOEBEL can be found by the ordinary methods of law."

Bank robbers are thick as fleas in a country stable. A single newspaper reports four Banks looted in one day—at Madison, O., Dalton City and Longview, Ill., and Manchester, Tenn.,—while a banker's house was entered at Springfield, Ill. A 12-gauge repeating Winchester shotgun would be a very useful piece of furniture to have around, with a fellow who knows how to work it at the business end.

The Chief of Police of Omaha is a Tom Campbell sort of fellow. He has broken into the newspapers with this statement concerning the abductors of young CUDAHY, whose father paid \$25,000 in gold as ransom—

"It was all a blackmailing scheme and a smooth one. The letter written to Mr. CUDAHY was one which, I doubt not, would cause him to pay \$25,000, as quickly as he could pay \$2,000. We have men now engaged, and can put them under arrest at any time if Mr. CUDAHY wishes them arrested."

To which General JOHN C. COWIN, representing the elder CUDAHY, replied—

"I want to say, as attorney for EDWARD CUDAHY, that if the Chief of Police, or any other officer of the law, knows who abducted EDWARD CUDAHY, Jr., that we demand that the abductors be placed under arrest at once."

Which puts it up to the Chieftain to make the arrests, as the Chieftain says they are able to do whenever Mr. CUDAHY says the word.

The Chieftain had evidently read Tom CAMPBELL's and DEE ARMSTRONG's florid statements that they knew exactly who fired all six of the one bullet that killed GOEBEL, and that those half dozen one man would be arrested whenever they wanted to get ready—or words to that effect.

Praise the bridge that carries you over either a flood or a couch. But when you have to pay \$25,000 for so many overthrows and lung troubles, such as coughs, colds, etc., as well as the price of a new coat, are sung everywhere. Price, 25 and 50 cents. J. J. Wood & Son.

Stop that cough by using Ray's Cong Syrup. It's guaranteed.

Impudent eating at Xmas manly gives one a headache but Cheneveth's Headache Cure will cure it immediately.

All things being equal, patronize home industries. Before buying get prices from Murray & Thomas on Mounds, Markers, etc.
